

Blessed Christmas

Halleluiah! Halleluiah!
Let us sing praises
★★★★ to our
New Born King

LL3710

CORRESPONDENCE

ADDRESS

Dear Cousins:-

We are all well here but colds. Most of us have them. Uncle John has had some attacks of appendicitis but is better again. The most of the relation will beat mamas for Xmas. I wish you both might be there too. Gene is doing real well since he has been married. He has a good wife. A merry Xmas to you John & Hattie.

Mr. Albert Cole
